Lemonade for sale!

Kids turn lemons into donation for Hubbard House

Dear HospiceCare,

My name is Sophie Wolfe and I am going to tell you about our lemonade sales. This summer we decided to raise money for Hospice. My great uncle was there this spring and they took really good care of him. We had three lemonade stands and ended up with about \$50. All the kids on our street helped out.

Sincerely,
Sophie Wolfe

New PR coordinator feels right at home

HospiceCare is pleased to announce the hiring of Lewisburg native **Missy VanBuren** as the new Public Relations Coordinator for our Greenbrier Valley Office.

The Lewisburg native lives in town with her husband, **Wayne VanBuren**, and their four

Missy Van Buren

children, **Carleigh**, 15, **Zackery**, 14, **Aimee**, 13, **Grayson**, 3, and has developed strong working relationships with many residents and organizations in and around the Valley.

Missy enjoyed working 13 years for **The Greenbrier** in its HR and Operations Dept., training employees and managing the resort's Business Center. "I took care of all the VIPs," she said. She also recently

worked part time as an office manager for **Alinda Perrin** and **Robert Get**, owners of **Free Spirit Adventures** bicycle shop.

An avid golfer with a 21 handicap, Missy also stays involved in her children's little league baseball and other activities in her spare time. In fact, her new place of employment was part of her own upbringing! Prior to HospiceCare renovating the former doctor's office into the new Lewisburg office, the building was the home of **Gladys** and **Elzie McCormick**. Growing up, Missy was best friends with their youngest daughter, **Arlene**, and their son, **Keith**, and vividly remembers playing in the house from the late-70s and early-80s until she was 13. "One of my favorite memories was coming over to play hide-and-seek and playing in a playhouse in the middle of the backyard. Arlene and I would always hide and Keith would always try to find us," Missy said.

While renovations have altered much of her original childhood play space, when she started working for HospiceCare, she still was able to find where she had written her initials on the inside of a closet door in the front bedroom upstairs — it's now where the office keeps its marketing supplies! ❖

. . . & DINNER DANCE

Event brings in more than \$100K to benefit HHH

After nearly a year in the works, the **HospiceCare Golf Outing & Dinner Dance** attracted more than 100 golfers, 200 dinner guests (more than 50 HospiceCare staffers and their guests) and \$100,000 to celebrate the 10th Anniversary of the Elizabeth Hubbard Hospice House. Special thanks go out to event founder **Keith Stonestreet** and his wife, **Pam Brown** — who hosted a dozen other smaller golf outings and cocktail parties for HospiceCare in the past. They, along with fellow steering committee members **Martin Riggs**, **Dee Rumbaugh**, and **Helen Lodge**, worked dilligently all year to make this huge “FUN-raiser” one worth turning into an annual event. Based on the success of this year’s innaugural event — and the stalwart efforts of **Becky Shuman** and Helen (top center right), who put together the live and silent auction that raised over \$14,000 — we look forward to doing it all again next year and for many years to come. ❖
